

# Destination ME Refund and Cancellation Policy

---

We'd hate to see you leave, and before you read on, we'd like the opportunity to stamp your passport one more time. Here's a recap of your Destination ME Travel Itinerary and membership benefits:

- **Live Monthly coaching** with me via Zoom. Receive coaching based on monthly themes, ask anything, and leave with a plan of action
- **Each month we'll share new material** to help you gain greater awareness, make new choices, take action and declare to the world that YOU are ready to put yourself first
- **Connect in our thriving FB Community.** This is a safe place to share your victories, ask and answer questions, get and give support, and find people who just like you, are ready to live life on their own terms
- **In the Membership Portal** you'll have access to: your private digital journal to help you go farther, recordings, content and exercises to guide you and stay on track, plus the community calendar, so you can stay on top of all the action
- **Weekly emails** to inspire and keep you informed of what's happening in the membership community. You'll also receive priority access and special pricing for coaching programs before they open
- **Our Community Concierge**, Reenie is available to answer all your questions and support you through your travels – so that you're never alone
- **Membership is always voluntary** – you can cancel your membership whenever you want, but I'll be honest . . . the greatest benefits come to those who go the distance!

That said, we understand that life happens and you may decide that the program is not for you and you'd like to cash in your membership ticket. Please read our Refund & Cancellation Policy below so you know what your options are should you choose to request a refund or cancellation.

## For Monthly Subscription Members

You may cancel your monthly subscription at anytime and will not be billed again. NO refund shall be given for partial months. If you decide within the first 30 days of purchase that the program is not a fit for you, simply cancel within those 30 days to avoid being billed again.

## For Annual Subscription Members

You may cancel your annual subscription at anytime within the first 30 days of signing up and receive a full refund. Your refund will also cancel your annual subscription. If you cancel your annual subscription after the 30-day period, no additional refund will be given.

To cancel your monthly subscription or request a refund for your annual subscription, please email [support@nancylevin.com](mailto:support@nancylevin.com) with your original sign-up date and the email you used to sign-up. (Refunds are honored for annual ONLY because a full year was paid for in advance.)
